One World Team

Delivering international real estate solutions
GVA Worldwide is an organisation of independently owned commercial real estate firms operating around the world. Our international platform provides access to a ‘one world team’ of best in class advisers, expert agents and brokers. This global team has been built by choosing companies who share our vision, values and meet our compliance standards and affiliate obligations.

Together, we offer cross-market expertise and consultancy services from over 120 offices across 27 countries worldwide, with a global platform of 5,000 real estate professionals.

Wherever you are, we are always on hand to deliver high quality property services and solutions and enable our clients to take advantage of market opportunities to reduce property costs and maximise returns.

GVA Worldwide provides access to a ‘one world team’ of best-in-class advisers.
GVA, one of the top five commercial property advisors in the UK, is a founding member and the majority shareholder of GVA Worldwide.

Our network of international affiliates delivers a unique blend of consultancy services with transactional capability across investment, asset management and the occupational markets.
At an international level, GVA Worldwide organises its activities into business practice groups, enabling us to coordinate project work and best practices across markets and sectors. Our teams have extensive experience of advising businesses on a national, regional and international level across all sectors, in the following areas:

- Tenant representation
- Lease consultancy
- Corporate services
- Valuation consultancy
- Capital markets
- Planning consultancy
- Agency
- Project management
- Transactional services
- Asset management
- Property management
- Integrated FM
